

# Benjamin Robb

## curriculum vitae

2009

PROFILE: THROUGHOUT MY ARCHITECTURAL EDUCATION I HAVE SPECIALISED IN BIOCLIMATIC ARCHITECTURE, GAINING KNOWLEDGE AND EXPERIENCE THAT DIRECTLY INFORMS EVERY ASPECT OF MY WORK.

I AM CURRENTLY UNDERTAKING AN MA (PART TIME) IN INTERNATIONAL ARCHITECTURAL REGENERATION AND DEVELOPMENT AT OXFORD BROOKES UNIVERSITY; IN WHICH I AM SEEKING TO ANALYSE THE DYNAMIC INTERACTIONS BETWEEN ARCHITECTURE, SOCIAL STRUCTURE, CULTURAL BEHAVIOUR AND THE NATURAL ENVIRONMENT.

I HAVE A CREATIVE AND EXPERIMENTAL APPROACH TO DESIGN, WITH A FIRM BASE IN CONSTRUCTION AND TECHNOLOGY. I AM A CONSCIENTIOUS, HIGHLY MOTIVATED, HARD WORKING, PERSONABLE CHARACTER AND APPLY MYSELF DILIGENTLY TO THE TASK IN HAND EITHER INDEPENDENTLY OR AS PART OF A TEAM.

## PROFESSIONAL EXPERIENCE

Mile Elm Gardens and  
Landscaping

JUN 2008 - TO DATE

Assisting with the design and physical implementation of garden landscapes and associated structures, with direct involvement in the process from inception to completion; estimation, procurement, client interactions, onsite construction.

BAC Construction

APRIL 2006 - AUG 2006

SPECIAL PROJECTS MANAGER, ONSITE CARPENTER'S ASSISTANT

Gained first hand experience of the building process on residential sites from conception to completion. Plan design for client projects, construction techniques, material procurement, project management and the organisation of subcontractors.

Studio E Architects

JAN 2006 - MARCH 2006

ARCHITECTURAL ASSISTANT

Working effectively and enthusiastically on a central London Art Gallery refurbishment; responsible for preparing design drawings, surveys and preliminary construction information.
